Rich Dark Red.....	\$0.50	\$1.50	\$5.00
--------------------	--------	--------	--------

The King (Needled Type)—The habit is similar to the popular American Branching, vigorous in growth, long stiff stems. In form the flower is entirely different from any other variety; petals somewhat resemble the quilled varieties, but are much larger and broader, those in the center being curled and incurved, completely covering the crown. In shape and size the bloom is round, full and very large. Blackish blue, crimson, deep flesh, lavender, rose, and pure white.

Separate Colors	\$0.30	\$1.00	\$2.50
Finest Mixed25	.75	2.00

American Branching or Vick's Branching—Late flowering.

This particular type is used very extensively throughout the United States by florists for cut flower purposes. Flowers are large and double and plants grow from 2½ to 3 feet high. Our selected stock of these are the best money can buy. Azure blue, crimson, lavender, peach blossom, Perfection white, purple, deep rose, shell pink (Mary Semple); and finest mixed.

ROCK GARDENING

People everywhere are coming to realize more and more the joy that lovely mountain plants can give to those who grow them. They are easier to grow than is generally supposed, if just a little more than ordinary care is given. The following varieties are recommended for Rock Gardens, rock walls, crevices in rocks, between stone steps and make a charming and neat edging for the garden border. The best time to sow alpine is the very late autumn or early spring.
